ARCHEWELL

Main Road Edgeworth

Newly built SDA Villas located in the
greater Newcastle Region.

Specialist Disability Accommodation

SDA VILLAS IN THE NEWCASTLE REGION

In partnership with Archewell, we are happy to present 3 x 1-bedroom, high physical support SDA category villas boasting independent living layout. Each villa includes its own private living/ dining space, laundry, bathroom, sizeable bedroom and its very own private entry.

Completing the individual villas is a shared indoor alfresco area with BBQ and outdoor gathering area. These features ensure a great balance of private and community living is achieved. Construction completion expected May 2023. Onsite Overnight Assistance office and ensuite provided onsite.

The biggest drawcard for this dwelling, besides the community living aspect, is its close proximity to all of Edgeworth's attractions and facilities. This property is a convenient 500 metres away from Edgeworth Town Square which boasts leisure, medical, and recreational facilities.

In sum, this property is perfect for individuals looking for an oasis with 24/7 support or someone looking for greater independence with its abundance of facilities on the doorstep.
